The Apartment – meet,
mingle, make it yours.

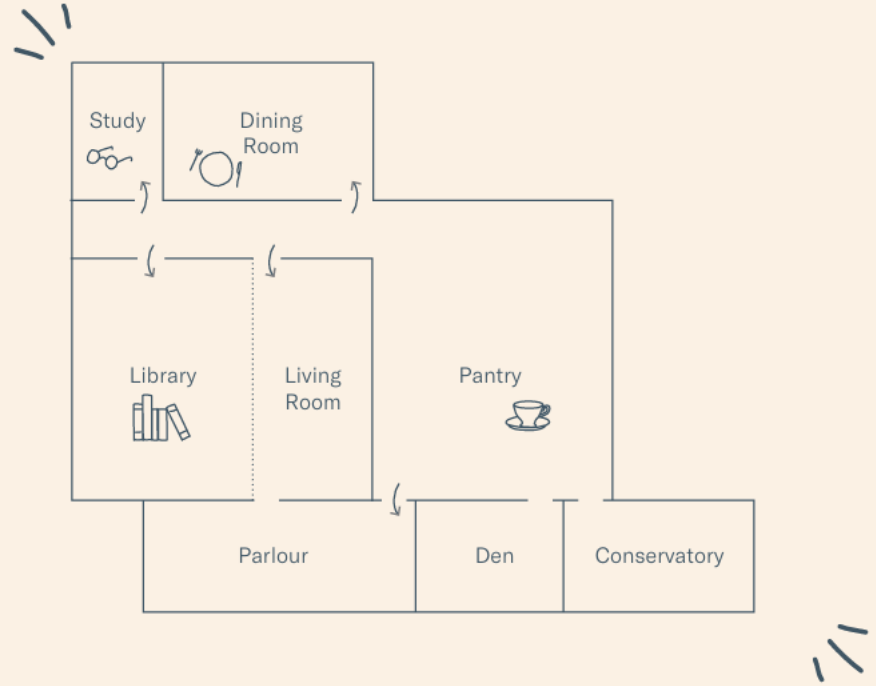

the hoxton

The Apartment: Meet the Hox way

Every Hoxton has its own set of flexible spaces for meetings, dinners and parties – we call it **The Apartment**.

Walk in and you'll find the Pantry Kitchen, stocked with coffee, snacks and treats to help yourself to all day. Around it sit a mix of rooms; think Living Room, Dining Room, Den, each with a homely vibe and plenty of style, and ready to be set up with different layouts, depending on your meeting or event needs.

Book just one for a meeting, private dinner or celebration and share the Pantry with others or take the whole Apartment for yourself and make it yours for the day or night.

the hoxton

The Apartment: One Space, Every Possibility

The Apartment is made to flex: host a pitch in the morning, a panel talk by lunch, and a wrap party by night.

It's been turned into corporate meetings, wedding venues, pop-up galleries, TV sets, and everything in between.

Whatever you've got in mind, **The Apartment adapts...** effortlessly.

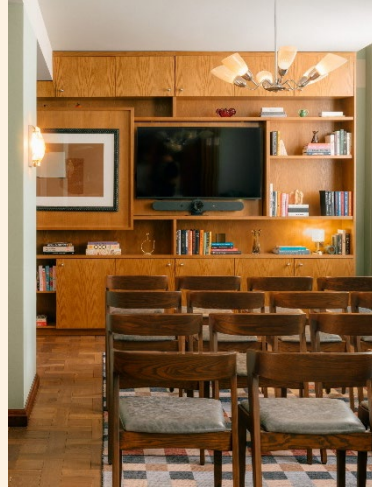

the hoxton

The Apartment: Set it up your way

The Apartment is as flexible as you need it to be.

Keep it open for standing receptions or style it for a shoot. Go from a theatre-style talk to a boardroom brainstorm, from a dinner party to a classroom setup — or something totally your own.

Whatever the occasion, we'll make it work.

Beyond The Apartment

Some Hoxton hotels take things even further, with rooftops made for parties, extra meeting spaces for when you need more room to think, or an auditorium perfect for talks, launches or screenings:

Dine the Hox way

At The Hoxton, it all starts with something good to eat (and a drink in hand) – from laid-back lobbies and neighbourhood restaurants to rooftop bars and hidden gems.

Each space has its own look and flavour, shaped by **local culture** and designed to bring people together. Think sunny breakfasts, working lunches, cocktail hours and late-night bites – all under one roof.
